# CHAMBER MEMBER OF THE MONTH!

**Our member of the month for November is Heartland Animal Hospital!**

Heartland Animal Hospital was built in 1985 as a 4000 sq ft veterinary hospital. Dr. Gary Breault bought the hospital in 2000 when it became Heartland Animal Hospital. His brother, Dr. Bill Breault came from a mixed animal practice to become his partner. In 2009 Heartland added 5000 sq ft to become a dog daycare, grooming and boarding facility. We currently house over 100 dogs and cats most weekends and

entertain 55 dogs each day in our daycare facility. Our 1 person grooming business needed to grow and with no where else to expand we moved the grooming business to the Sienna Plaza in 2012 where it became The Hairy Sofa Pet Grooming Boutique. There are currently 4 groomers and 3 bathers employed at The Sofa. Our dog daycare has no openings for new players and the boarding facility has been booked through the end of the year since August of this year. As Bel Aire has grown so has Heartland Animal Hospital. Heartland started as a 2 doctor practice with 10 employees to a 3 doctor practice/ daycare/ boarding/ grooming business employing 30 people.

## BEL AIRE POLICE DEPARTMENT RECEIVES SPECIAL COIN FOR DUI EFFORTS!

On 11-25-14, representatives from the Kansas DUI Impact Center came by the Bel Aire Police Department to drop off DUI Victim red ribbons for our patrol cars, gift bags for our officers, and to award Officer Justin Camplin with a Kansas DUI Impact Center coin as recognition of his DUI enforcement efforts. We then went out into the parking lot and affixed the ribbons to our patrol cars.

The attached photo is of Officer Justin Camplin with Kansas DUI Impact Center representatives, Trent Franz, Victim Advocate (R) and Humberto Alvada, Kansas DUI Impact Center Intern (L)

Justin Camplin is a Bel Aire Police Officer who is enthusiastic about DUI enforcement and keeping drunk drivers off the roads in our community. A DUI arrest is one of the most technically demanding arrests an officer is likely to make as well as the most time consuming. Though he has other responsibilities, Officer Camplin is always on the lookout for impaired drivers. Bel Aire is a proud partner with DUI enforcement efforts to combat drunk driving

Below is a copy of the coin presented to Officer Camplin.
